

Saraswathi Pooja

On the auspicious day of 'Saraswathi Puja', the students and the faculty of our school came together to seek the blessings of the goddess of knowledge, music, art and culture. The event was celebrated with a lot of devotion and dedication by worshipping Goddess Saraswathi. The fragrance of flowers, the aroma of the burning camphor in lamps filled the school environment with peace and positivity.

The crowd was further executed by conducting various cultural programs complied by Grade IX students. Bhajan by choir, Bharatnatyam tribute was given to Lord Ganesh, Tamil speech on the importance of celebrating Saraswati Pooja, Group dance and finally the program ended with prayer song. Our Principal Mrs Suja S Chandran appreciated the children and addressed the students about the importance of Pooja Celebrations.

Charity Work

Happiness is not so much in 'HAVING' as 'SHARING'. We make a living by what we 'GET', but we make a life by what we 'GIVE'.

For the past few years our Institution "The Pioneer School – CBSE" has been doing such Diwali Charity Work. This year too we were privileged to visit a small village near Pechipparai and we were happy to donate a portion of our wellness to the needy during this festive season.

This charity program was done by our team consisting of student representatives and staff to inculcate some good values in our students to help the people in need and to feel the value of sharing.

Ek Bharat Shrestha Bharat (EBSB)

"Ek Bharat Shrestha Bharat campaign" of the Government being carried-out by All India Radio is aimed at actively enhancing interaction between the people living in different states and Union Territories with the objective to promote mutual understanding amongst interstates. Accordingly under Ek Bharat Shrestha Bharat, the Union territory of Jammu and Kashmir is paired with Tamil Nadu and the exchange of activities under this theme. The programme was conducted through Google Meet. We are lucky to have Mr. Maqsood Jebas working as a Ware House Manager associated with Reliance Company, who is living in Srinagar, Jammu & Kashmir who has completed his MBA project, who taught us many things and created an awareness and knowledge about EBSB. The Union territory of Jammu & Kashmir has been paired with the southern states of Tamil Nadu.
