

## INDIA IN SUPER POWER

My India, large land mass with huge population, people of different culture, religion, languages line together in peace. A land that was mocked as nascent democracy, proved the world wrong, marching strong into the future. Yes my home has different aspirations yet we stay under one shelter with pride. Fighting all our differences with an identity called **INDIAN**. Today India is one of the powerful democracies in the world. Young children of India are the young fold mountain of this country. Technology, arts and science, politics, have reached tremendous heights. My Independent 75 years Ancient India is still so strong, young and it is not so far we "India" will be harmony in the world. We once our national leaders for granting us the freedom of speech and expression and also the most beautiful constitution.

MY INDIA MY LOVE

- RANUSHYA R - XI

**CONGRATULATIONS!!**

to

*Mr. Ramu Kannan - Staff.*

*On the arrival of your new baby boy!*

*Wishing you all the best for a long, happy and healthy life together.*

## NOSTALGIA

The hesitant dusk sky finally let go of the faded orange sky,

It choose to go with black cloak,

I stared aimlessly at the distant stars,

Peeping into the past ....

To those days, when I woke before sun,

When school bus horned before I got ready,

When I pushed friends and foes to just get a window seat

To those days, when mask didn't cover me,

When I had schools,

When I didn't make virtual friends,

To those days, when world was fulfilled,

When hugs and handshakes were common,

To those days, when I didn't have online classes,

To those days, when I had no worries of future

When nothing was impossible,

To those days, when I didn't imagine a locked world even in my scariest dreams,

But now those good old days seem like so long ago

They have now become hurting nostalgic memories

- KEERTHI S M - VIII A

## GOKULA ASHTAMI CELEBRATION

Our School celebrated Janmashtami on 28th August 2021 in a special manner. Many children dressed up like Lord Sri Krishna and Radha. It was followed by a mesmerizing dance performance and wonderful songs. Thought provoking quotes on Geetha Uphadesam were presented by our students dedicated to Lord Sri Krishna.

Children dressed up in the attire of Lord Krishna and Radha gave a traditional touch to the entire celebration. Our principal, shared a few words about Krishna Jayanthi. Finally the celebration ended joyfully.
